We are installing a Beacon AMR meter at your location! You can now view your usage down to the hour by setting up your online EyeOnWater account. If you already have an existing EyeOnWater account you do not need to follow the instructions below, just call the office and we can add this service to your existing account.

New users please follow these instructions to set up your account:

1. Visit https://beaconama.net/signup on your computer using a supported web browser*.

2. Enter your service area zip code:_____ (A dropdown box will appear > Select Brookings-Deuel RWS

3. Enter your billing account number __ __ __ __ . __ __

4. Click on Next button.

5. Enter your email address.

6. Create and confirm a password.

7. You will receive a confirmation email from Beacon. You must verify your email address by clicking on this link. ***Check your junk mail/spam folder if you don't receive an email right away***

8. Once your email address has been verified, you can go directly to www.eyeonwater.com and sign on using your email and password.

9. You are all set! View your water usage and readings daily, weekly, and monthly water usage. Set alerts to notify you by text to your mobile phone or email letting you know when you have a leak or high usage.

Please let us know if you have any issues logging into your new account.
